

NOTICE FROM
THE AMERICA TEAM AND FREEERITREA.ORG
FEBRUARY 25, 2010

Our greetings to all fair-minded Eritreans and others who wish to see right and peaceful reform in Eritrea and proper treatment of Eritreans who have fled the repression in their homeland and have become refugees often reliant on the grace and generosity of others.

We, as The America Team for Freedom for Eritrea, have for several years striven to foster unity and harmony among the Eritrean Opposition groups, to create awareness of the plight of the Eritrean people among others, particularly with the US government and independent organizations within the US, and to provide news and information via our web site at FreeEritrea.org In addition, we have sustained efforts to support Eritrean refugees, particularly in Ethiopia and the USA.

We are now changing our focus to work exclusively in support of Eritrean refugees. Accordingly, we are

- Changing our name to:
THE AMERICA TEAM FOR DISPLACED ERITREANS
- Incorporating a new logo
- Changing the nature of content of FreeEritrea.org to consist of
 - News and information pertaining to Eritrean Refugees
 - A special page for Shimelba Refugees resettled to the USA
 - General news about Eritrea
- Expanding the membership of the Team
- Increasing our fund raising efforts in support of Eritrean refugees

You will see changes in our web site that will be a part of this change in our efforts.

We appreciate the interest and encouragement we have received from our web site users, and look forward to your continuing support.
