Dear friends,

It is with great sadness that we announce the passing of our beloved friend and colleague, Pamela Green-Smith.

With a career spanning nearly 40 years in government service, Pam joined the Office of Refugee Resettlement in 1997, most recently serving as the Director of the Division of Refugee Assistance.

Pam's contributions to the work of ORR, ACF, and the U.S. refugee resettlement program overall have been invaluable. She will be remembered most for her professionalism, dedication, and unparalleled dedication to her work, to her colleagues, and to the refugees she served. We at ORR were fortunate to know and work with Pam, who comforted the wounded souls of many refugees' children. She leaves behind in us a conviction to serve others.

Our deepest condolences go out to her husband, children, family and friends at this difficult time. May we all find peace in the memories we cherish, and the impact her life has had on us all.

Sincerely,

Eskinder Negash
Director
Office of Refugee Resettlement
