## PRESBYTERIAN CHURCH SPONSOR SCHOLARSHIPS FOR ERITREAN REFUGEES ENCAMPED IN ETHIOPIA

**Who:** Thousands of Eritrean nationals have fled oppression and danger from the regime in Eritrea and a dictator that does not know the meaning of kindness or grace. Many young men and women languish in refugee camps in Ethiopia, which has been kind enough to host them.

**Why:** Many have already completed high school and in many cases, some post-high school study. Those who are interested in learning more will be invited to apply for scholarships. Initially, 35 residents of the camps (*Shimelba* and *Mai Ayne*) will be chosen from applications submitted. This will help prepare them for moving their life ahead, once the way be clear.

**What:** Students will be provided a 3-year program at a private college in Addis Ababa to obtain a diploma in medical-related areas such as pharmacology, nursing, x-Ray and lab techniques. Room, board, health coverage and tuition will be covered.

**How:** The America Team and Wallingford Church are now seeking donations to help fund this program. Contributions may be made out to The America Team for Freedom for Eritrea and sent to:

The America Team  
P.O. Box 1555 Media, PA 19063 USA

If you wish to take a tax deduction in the USA, make the donation out to Wallingford Presbyterian Church, and mark it, "For Eritrea Scholarships."
